A LETTER FROM THE CHAIRMAN

Dear Sponsor,

Millersville Masonic Lodge holds an annual fish fry in an effort to promote a tradition of brotherhood, family, charity and service to our community. We have held this annual event for the past 44 years and dedicated the proceeds to help Millersville Lodge continue its mission of making good men better, and supporting the widows and orphans of our members who have passed on.

Many of our friends and neighbors have provided financial support throughout the years to support our activities. We are grateful for these contributions so we work hard to create positive marketing opportunities for our business sponsors. We are excited to announce several changes to this year's program that will promote your business beyond what we have been able to do in the past while maintain similar contribution levels. We will not only give your business exposure to our guests at the 44th Annual Fish Fry but will help connect you to our members through our newsletters, email, internet and Facebook promotions.

After you have read through this information, please return the included form or go online at <http://www.millersvillelodge.org/fishfry> to select your sponsorship level. We look forward to promoting your business and thank you for your support to Millersville Lodge, a local organization that has been positively impacting on our community for more than 164 years.

There is no better marketing opportunity for your business than to partner with a respected organization in an effort to promote brotherhood, family, charity and service to the community. There are thousands of Hoosiers affiliated with our annual event that are waiting to support those companies that support these wholesome activities. Contact us soon to choose your sponsorship level and promote your business.

Sincerely,

J. D. Cash

Worshipful Master, Millersville Lodge

WHAT IS FREEMASONRY?

The Free and Accepted Masons, or just Masons, is the world's oldest Fraternity. Some of the greatest and best through the ages have been members of the Fraternity. Harry Truman, Ben Franklin, George Washington and Red Skelton were all Masons. We evolved from the Era of Enlightenment where men sought to associate with each other to help each other improve their minds and moral character with symbolic lessons from the Building of King Solomon's Temple and applying those lessons to our lives.

Today we are a group of men who support each other and our families. We have a lot of fun, but also take on more serious tasks. We help each other in times of need, we visit our members and help them when they are sick and provide assistance for the widows and orphans of our members.

Our members become better husbands, fathers and members of the community. Our organization welcomes members of every background and any man may join our organization so long as they have a good moral character.

MILLERSVILLE LODGE

Millersville Lodge #126 was chartered in 1852. It is the 126th lodge chartered in the State of Indiana, and happened when Indiana itself was just a fledgling state of 36 years. Millersville was at that time nothing more than a small village on the banks of Fall Creek. It has grown from its original 9 members, along with the central Indiana community, as a landmark institution of and for the people and currently includes over 500 members.

The lodge building, at the corner of Fall Creek & Emerson, houses 3 different organizations:

- MILLERSVILLE MASONIC LODGE #126 is a growing fraternal organization with more than 500 members.
- MILLERSVILLE ORDER OF THE EASTERN STAR CHAPTER #300, or OES for short. The Millersville OES chapter has 200 members and is a women's Masonic organization.
- MILLERSVILLE YORK RITE, a masonic appendant body that provides further masonic education and supports several medical charitable funds.

Together, these three organizations make up the family of organizations currently housed in the historic Millersville Lodge building. In the years that Millersville Lodge has been a part of the community, its members have endeavored to promote the simple values of faith, hope, and charity among its members and the community. Its members pay dues to the lodge and its commanding officers receive no payment for their services other than the love and respect of the fraternity.
